Accolade

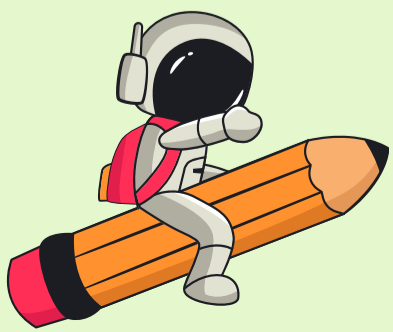

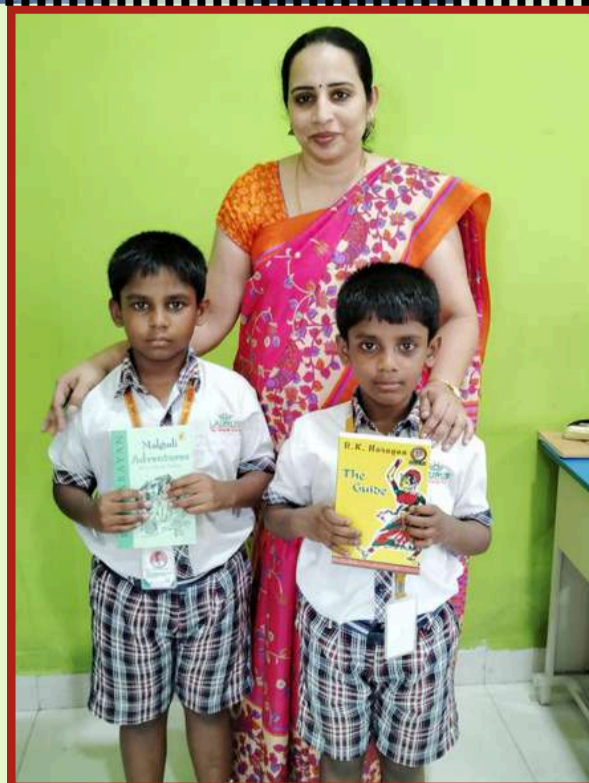

We're delighted to share that Laurus-The Universal School has been honored as the 'Top Promising School of the Year' by the Global Triumph Foundation on April 6th, 2024. This accolade underscores our unwavering dedication to student-centered education and effective leadership.

Furthermore, our Academic Director, Mr. Nishanth Parlapalli, has been invited to deliver a keynote address on 'Fostering Sustainable Education Ecosystems through Creative Partnerships' at the event. This invitation underscores our school's commitment to pioneering approaches and cooperative efforts in education.

Birthday Bash

We extended heartfelt birthday wishes to all the students who celebrated their special day in the month of April. Additionally, we express our sincere appreciation to all those who generously donated books, enriching our school library. Their kindness and generosity greatly enhanced our learning environment, and we were truly grateful for their ongoing support. We thank them for their thoughtfulness and dedication to our school community.

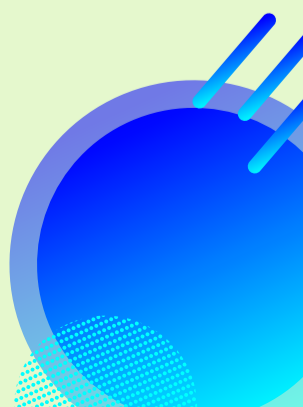

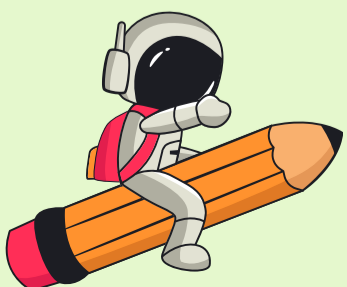

Ugadi Celebration

On April 11th, 2024, Laurus - The Universal School joyously commemorated Ugadi, the Telugu New Year, in a manner steeped in tradition and cultural reverence. The air buzzed with excitement as children eagerly participated in the festivities, embracing the opportunity to immerse themselves in the rich heritage of the occasion.

As part of the celebration, the children indulged in the traditional Ugadi Pachchadi, symbolizing the diverse flavors of life - sweet, sour, bitter, tangy, and spicy. This symbolic tasting experience not only delighted their taste buds but also imparted profound cultural significance, fostering a deeper appreciation for the traditions and values associated with Ugadi.

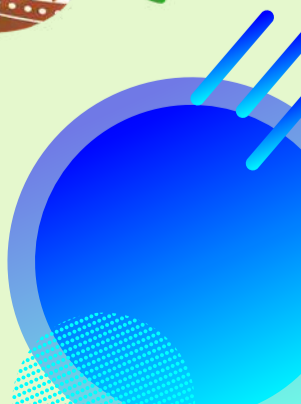

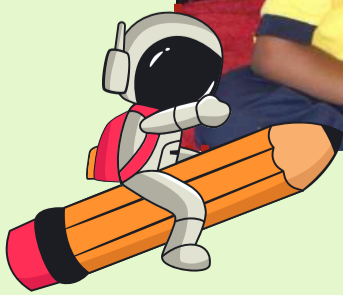

Through this vibrant celebration, Laurus - The Universal School not only honored a cherished cultural tradition but also provided a meaningful learning experience that resonated with the hearts and minds of its students.

Altura Training session

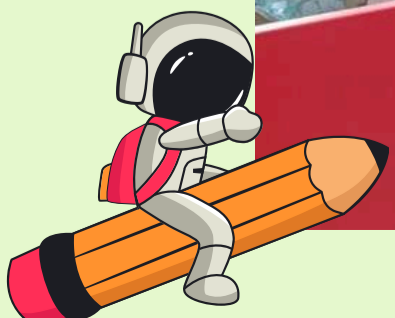

On 6th & 8th April, Macmillan Education conducted a training session that underscored its commitment to supporting teachers with cutting-edge training and resources. The session aimed to enhance teachers' skills, ignite creativity, and inspire students to unleash their full potential.

A significant focus of the training was on leveraging digital resources to augment the learning experience. Teachers were equipped with valuable insights into integrating digital tools effectively, promising a more engaging and interactive classroom environment. The introduction of digital games as an educational tool was particularly well-received, offering a dynamic approach to learning that resonated with educators.

In conclusion, the training session was a resounding success, providing teachers with practical strategies and tools to elevate their teaching practices and enrich the educational journey of their students.

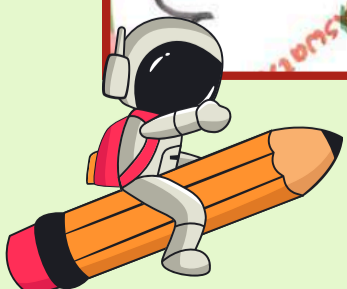

Altura Training session

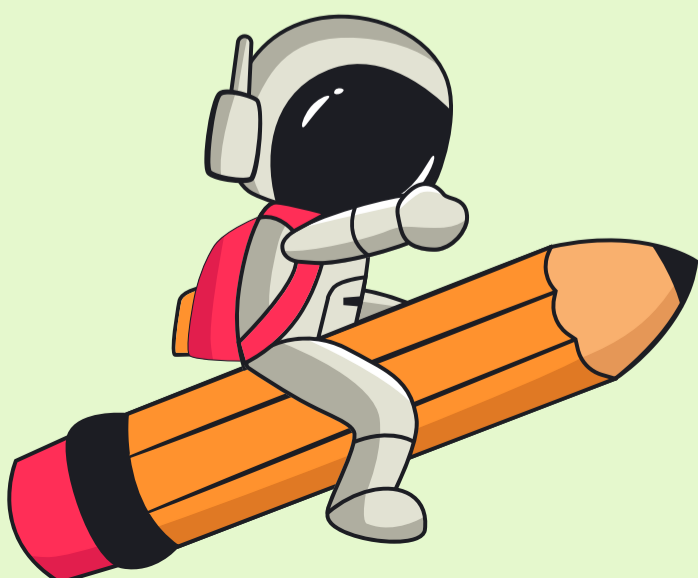

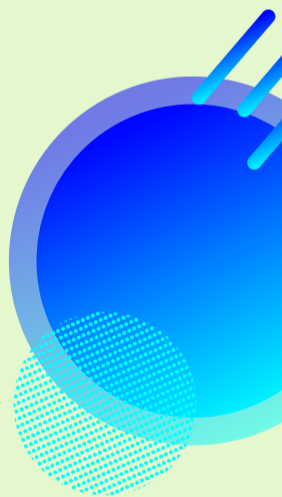

Green Colour Day

Laurus - The Universal School organized a delightful Green Color Day celebration on April 19th, 2024, tailored specifically for our pre-primary students. This enchanting event offered the little ones an immersive journey into the world of green, sparking their curiosity and creativity. As part of the festivities, the children eagerly explored various green-hued wonders, from fruits and vegetables to trees, marveling at nature's rich palette. Engaging in hands-on activities centered around the color green, they unleashed their imaginations and forged a deeper connection with the concept. These dynamic experiences not only broadened their understanding of colors but also nurtured a profound sense of awe and gratitude for the wonders of our world.

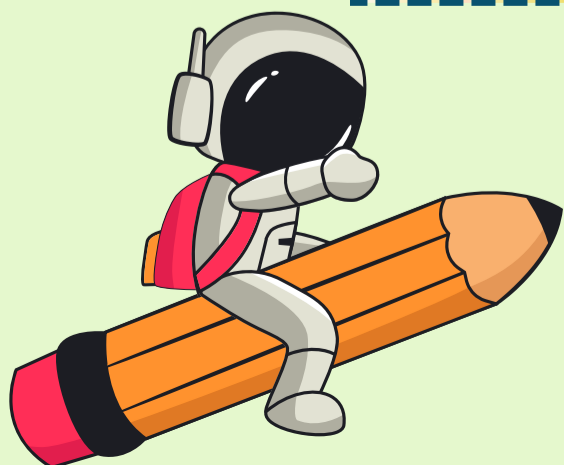

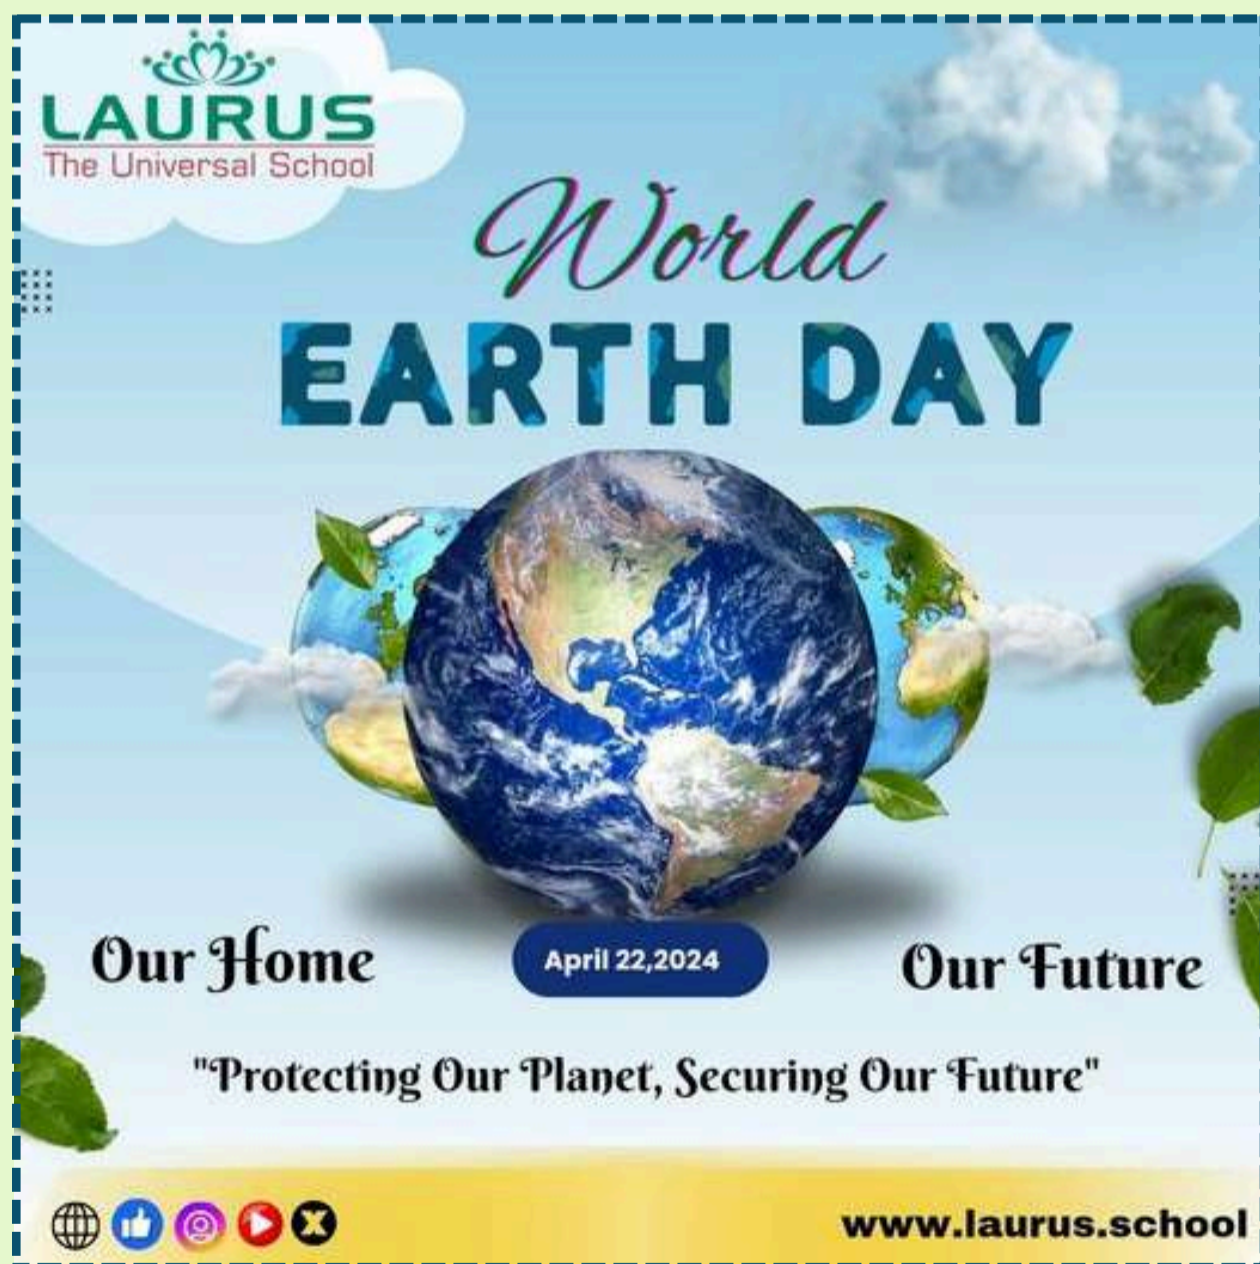

'CRY' Training Session

On April 20th, 2024, dedicated volunteers from CRY (Children's Rights & You) hosted a Cyber Safety workshop at Laurus - The Universal School, catering to students in grades 5-7. The workshop's objective was to foster a deeper understanding of responsible internet usage in our modern digital landscape. Various essential topics were discussed, including online identity protection, cyber grooming, bullying, trafficking, phishing scams, false advertising, and safe online gaming practices. The students demonstrated keen interest and wholeheartedly engaged with the facilitators, making the session interactive and enriching for all involved.

World Earth Day

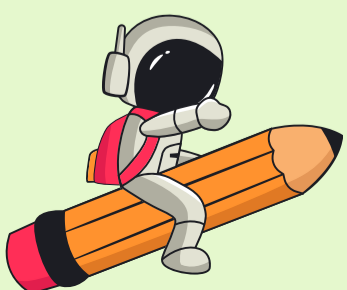

World Earth Day was celebrated on 22nd April 2024. The day was celebrated to enjoy the beauty of our planet and commitment towards preserving it for the future. At Laurus-The Universal School, we deeply value environmental conservation. Let's keep in mind that while we cannot create a new environment, together, we can protect and save the one we are fortunate to have.

EARTH DAY

'Conscious' Gamification Training

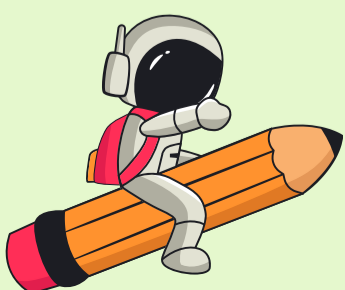

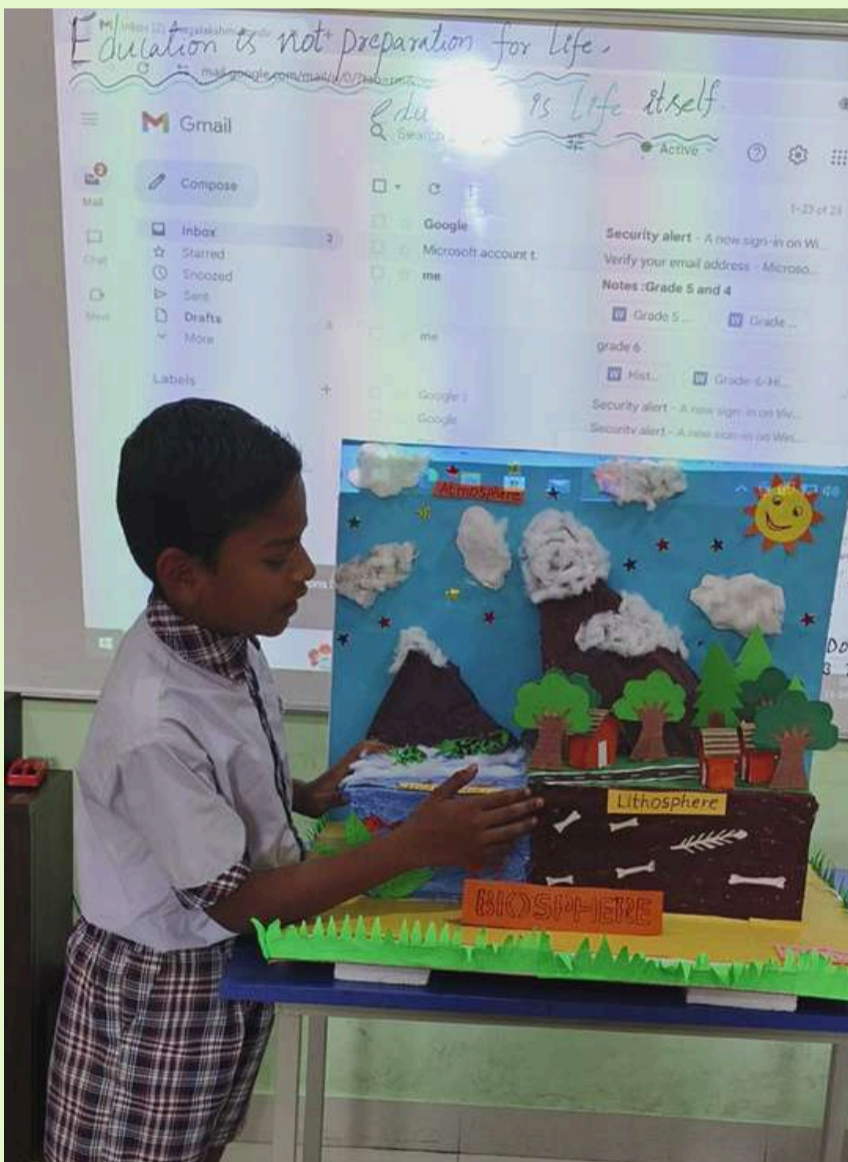

Laurus - The Universal School recently organized Conscious, a game-based educational initiative tailored to cultivate essential 21st-century competencies among students. This meticulously crafted program centered on bolstering critical thinking, problem-solving, collaboration, and creativity skills, paramount for success in today's dynamic world. Students enthusiastically embraced the interactive sessions, actively participating in activities strategically designed to hone these proficiencies. The implementation of Conscious exemplifies our commitment to fostering a holistic educational paradigm, aligning seamlessly with the evolving demands of contemporary learning environments.

Class Activities

Grade 5 (Social):

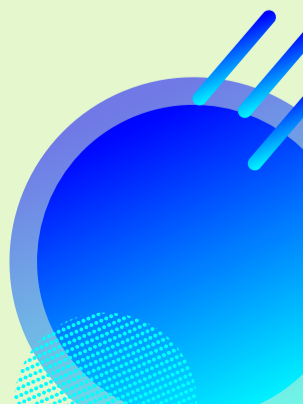

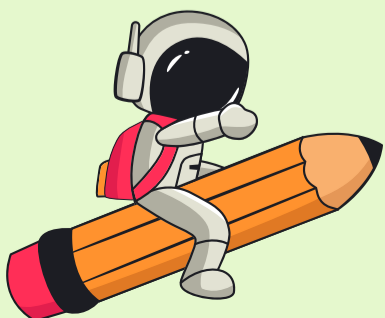

Laurus - The Universal School's Grade 5 students delved into the biosphere, a vital realm where Earth's elements of soil, water, and air converge harmoniously to nurture life. This exploration was a key component of their study on Earth's primary realms, emphasizing the pivotal role of this intricate ecosystem in sustaining diverse forms of life.

Class Activities

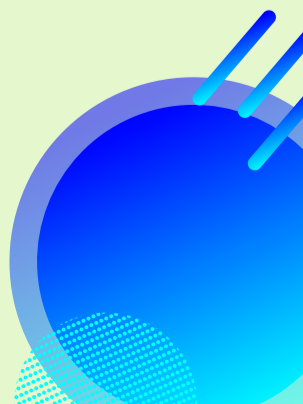

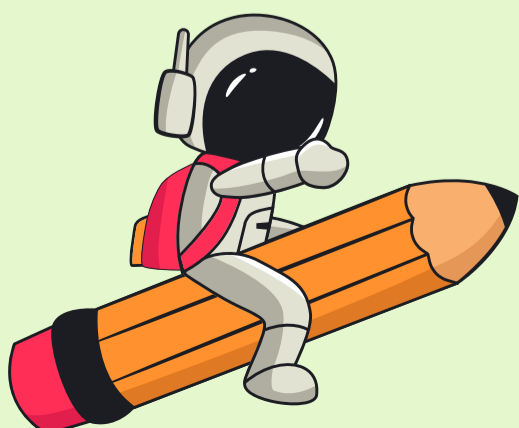

Grade 6 (Science):

Grade 6 students at Laurus- The Universal School, recently conducted a fascinating science experiment to explore the presence of starch in various food items. This hands-on experiment not only taught students about starch but also emphasized the importance of a balanced diet.

SSMPE Sports

Laurus - The Universal School is committed to fostering holistic development in our students. We recognize that every facet of their educational journey, be it academic endeavors or participation in extracurricular activities, contributes significantly to their growth. Collaborating with SSMPE Academy, our comprehensive co-curricular program is meticulously crafted to nurture not just social skills and intellectual prowess, but also instill ethical values, cultural appreciation, and personal integrity. By offering a wide array of activities, we aim to cultivate individuals who are well-rounded and prepared to excel in all facets of life.

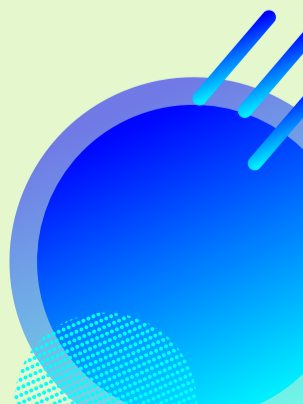

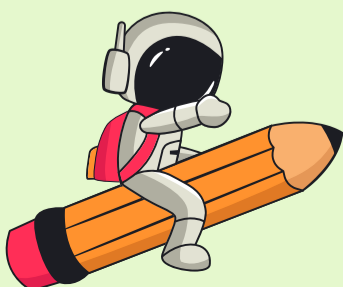

Grade 10 PTM

The Parent-Teacher Meeting (PTM) for Grade 10 students at Laurus-The Universal School was held on 27th April 2024, marking a significant milestone in fostering collaboration between parents and teachers. The event served as a constructive platform, emphasizing the importance of partnership in the students' education and holistic development.

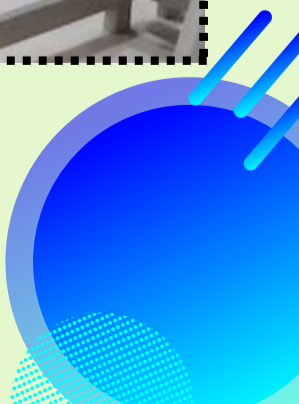

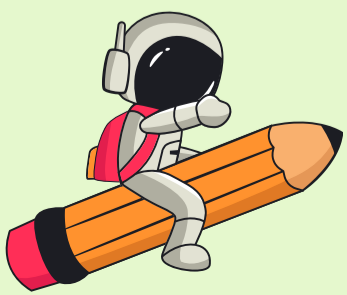

During the PTM, both parents and teachers actively engaged in discussions, sharing insights and feedback on the students' progress. This collaborative effort aimed to address individual student needs, academic challenges, and opportunities for improvement.

The PTM highlighted the school's commitment to providing a supportive and nurturing environment for students. It reinforced the idea that education is a shared responsibility between parents and teachers, with a focus on the overall well-being and academic success of the students.

Overall, the Grade 10 PTM at Laurus-The Universal School was a resounding success, reflecting a strong partnership between parents and teachers

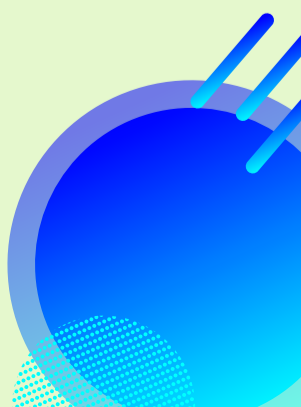

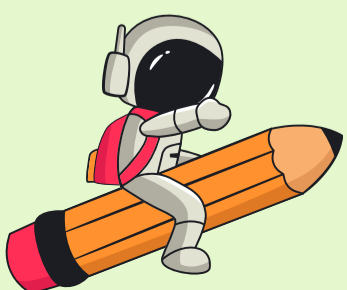

Grade 10 PTM

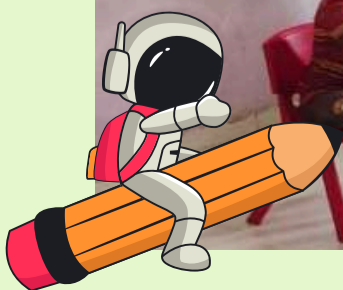

Rachna Sagar Training Session

The training session for teachers, conducted by Rachna Sagar, was a valuable experience aimed at enhancing teaching skills and fostering professional development. The session emphasized interactive learning methodologies, innovative teaching techniques, and effective use of educational technology. Teachers actively participated in discussions and activities, gaining practical insights and strategies for improving classroom instruction. Overall, the training was well-received, and participants expressed enthusiasm in implementing the newly acquired knowledge in their teaching practices.

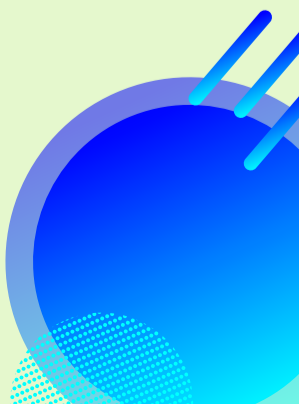

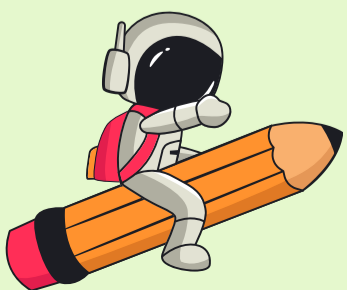

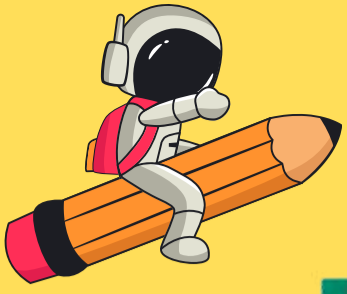

Summer Camp

Summer camp presents a splendid opportunity for individuals to engage in novel experiences or delve deeply into their passions. At Laurus- The Universal School, our summer camp, commenced on 29th April 2024 and concluding on 25th May 2024, featured a diverse array of activities including indoor and outdoor events. These meticulously curated programs provided an avenue for eager children to cultivate new skills in sports, fitness, video making, art and craft, vedic math, puzzles and fun games etc.,
