CCA

Each of our students of all grades had enjoyed making attractive, tricolour and amazing crafts with papers and paintings. Students had come up with innovative ideas in making craft works with simple paper cuttings which were amazing.

CLASS ACTIVITIES

GRADE-1

COMPUTER

As part of their engaging classroom activities, students of grade 1 enacted various components of a computer, bringing the inner workings of technology to life. Each student took on roles such as the CPU, memory, and input/output devices, demonstrating how these parts interact to process and manage information. This hands-on activity not only deepened their understanding of computer functions but also fostered teamwork and creative expression.

MATHEMATICS

In a hands-on class activity, students used pistachio shells to practice addition and subtraction. By counting and moving the shells around, they could easily see how numbers are added and subtracted. This hands-on approach made learning math more engaging and enjoyable.

CLASS ACTIVITIES

GRADE-2A & 2B

MATHEMATICS

As a part of class activity, students of grade II used pistachio shells to explore multiplication. By grouping the shells into sets and counting them, they could easily see how multiplication combines numbers into larger quantities. This practical method made learning multiplication more engaging and fun.

CLASS ACTIVITIES

GRADE-3

MATHEMATICS

Grade 3 students practiced multiplication tables using their fingers. By representing numbers and products with finger gestures, they could visually and physically grasp the concept of multiplication. This method made learning multiplication tables interactive and memorable, helping students to better understand and recall their times tables.

ENGLISH

Grade 3 students sorted adjectives and adverbs from a box of word cards. By categorizing the words based on their functions—describing nouns or modifying verbs—they developed a clearer understanding of these parts of speech. This hands-on exercise made learning grammar more engaging and helped reinforce their knowledge of adjectives and adverbs through active participation.

CLASS ACTIVITIES

GRADE-4

HINDI

In this engaging classroom activity, students explored the fascinating world of gemstones by creating colorful collages and learning their names in Hindi. They examined various gemstones such as माणिक (Ruby) and नीलम (Sapphire), identifying their vibrant colors like लाल (Red) and नीला (Blue). Through this hands-on approach, students enhanced their understanding of gemstones and their cultural significance while practicing Hindi vocabulary. The activity combined art with language learning, making it both educational and enjoyable.

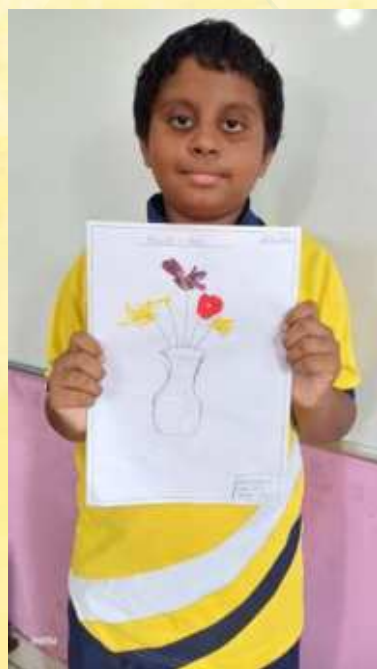

CLASS ACTIVITIES

GRADE-4

ENGLISH

Students have created collages with dried flowers and explored the beauty of nature. By integrating art with English, they enhance their creativity, critical thinking, and analytical skills, which in turn deepens their understanding of literary texts.

CLASS ACTIVITIES

GRADE-5

HINDI

Save Water

In a recent Hindi class activity, students created impactful messages on the importance of saving water. Through their creative posters and written slogans, they highlighted the critical need for water conservation. This activity aimed to raise awareness and reinforce their understanding of environmental responsibility in Hindi.

Leaf Activity

The Grade 5 Hindi students participated in a delightful Leaf Art Creativity activity. Each student crafted unique leaf-based designs and added a few descriptive words in Hindi to their creations. This activity celebrated their creativity and reinforced their skills in Hindi writing.

CRY SESSION

Child Rights and You (CRY) is an Indian non-governmental organization (NGO) that works towards ensuring children's rights. Girls of Laurus school have witnessed the session along with staff and learned the importance of CRY.

GO SHARPENER

We ignite the passion for sustainability in today's youth, nurturing the leaders of tomorrow. As an integral part of our commitment to fostering environmental stewardship and social responsibility, GoSharpener collaborates closely with Laurus the Universal School to cultivate a generation of environmentally conscious and socially responsible citizens.

Independence Day Competition

Laurus-The Universal school's Independence Day competition was a vibrant celebration of patriotism and creativity. Students showcased their talents through various competitions. The event highlighted the rich history and values of our nation, fostering a sense of unity and pride among all participants. Congratulations to all the participants!

Independence Day Competition

GoSharpener Sustainability Development Program

We are honoured to announce that, on behalf of Laurus The Universal School our beloved Principal Ms Brittolina had the opportunity to receive the award from the team GoSharpener Sustainability Development Program.

PP1 & 2 Friendship Day

Kids at Laurus were very much excited to share their happiness through exchanging gifts, greetings and gestures of appreciation, Teachers have Planned fun activities and adventures together.

Independence Day Celebrations

The Independence Day Celebration began with Guard of honour which was led by PET s and followed by Flag hoisting by our honourable Chief Guest **Mr Nishanth Parlapalli** sir and later gave motivational message to the congregation.

And students of Laurus have presented breathtaking March Past and many other programs like Speeches by Students, Songs performance, Dance performances, skit, PP1, PP2, Grade 1 & 2 students have captured everyone's attention by walking the ramp in the attire of our great inspirational leaders like Jhansi Lakshmi Bai, Subhash Chandra Bose, Chacha Nehru etc., Pyramids was the most spectacular performance. By the end of the program, the most awaiting session is Prize Distribution by the Chief Guest, Principal, along with the staff.

To show respect to our nation, the program has been closed by rendering the National Anthem.

Independence Day Celebrations

Independence Day Celebrations

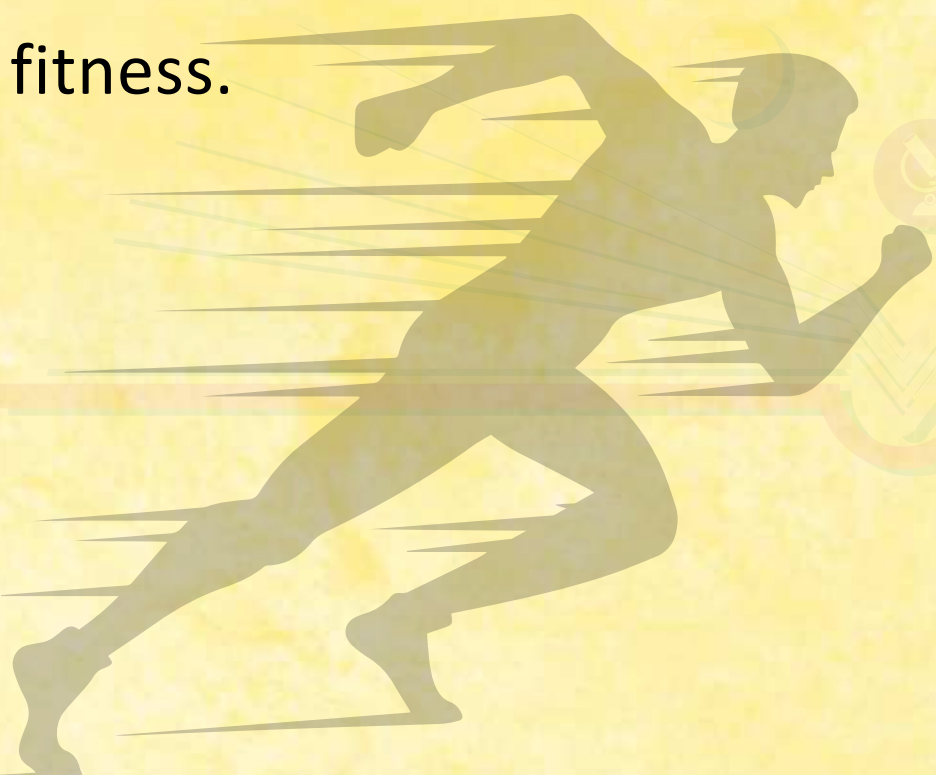

Sports Competitions for Independence Day

Running competitions embody the spirit of athleticism, community, and personal growth. Whether running for fun, fitness, or competition, these events inspire us to push beyond our limits and celebrate the joy of movement.

Laurus is a part of a network that lifts each other up, that cheers each other on, and that celebrates every victory.

At Laurus campus running competitions were conducted to encourage our young athletics towards physical fitness.

Janmastami

On Janmashtami Pre Primary Students of Laurus have been engaged and participated in the celebrations and traditional attire of our little Gopikas and Krishnas was an eye feast. Students were given speeches by the staff and Principal about the importance of the festival. Students have performed most amazing programs and our beloved Director Mr Gopala Krishna Sir has rendered a beautiful song on the auspicious occasion.

Telugu Basha Dinotsavam

Telugu Basha Dinotsavam was celebrated at Laurus-The Universal School to honor the rich culture and heritage of the Telugu-speaking community. This day recognizes the great poets, writers, and scholars who have enhanced the Telugu language. It reminds us how important the language is for keeping our culture alive and supporting regional literature and arts.

Yellow colour Day

Spreading Sunshine and Optimism: Yellow Colour Day
Yellow Colour Day is a vibrant and uplifting celebration that honors the brightest and warmest color of the spectrum - yellow! It's a day to embrace the positivity, energy, and happiness that yellow embodies. Yellow Colour Day is a joyous celebration that reminds us of the power of color to influence our emotions and surroundings. PP1 & PP2 kids of Laurus have come together to spread sunshine, optimism, and happiness on this vibrant day!" Facilitators have come up with various activities to enhance warmth and optimism of the color yellow in students.

Sports Activity

Students of Laurus-The Universal School participated in a variety of games and physical challenges, fostering teamwork and healthy competition. The event included relay races, team sports, and individual exercises, encouraging students to stay active and have fun. This general sports activity not only promoted physical fitness but also helped build camaraderie and school spirit.

LogIQids Awards

The LogIQids prize distribution for the academic year 2023-24 recognized exceptional achievements, showcasing the talent and dedication of our students. These awards set a high standard for excellence and inspire us all for the year ahead. Congratulations to all winners and participants!

LogIQids-higher order thinking test

We are pleased to announce that the Higher Order Thinking Test, conducted by LogIQids has been successfully completed. This rigorous exam challenged students to apply their critical thinking and problem-solving skills to complex scenarios. We are proud of the dedication and talent demonstrated by all participants. Stay tuned for updates on the results and further developments.

Rangotsav Competition

The Rangotsav Art Competition was successfully held at our school, showcasing the exceptional creativity and artistic talent of our students. Congratulations to all participants for their impressive contributions! We have sent the entries for review and eagerly await the announcement of the awards. Stay tuned for more updates!

Event at Praneeth-Pranav Flora

Laurus-The Universal School proudly hosted a special Independence Day competition at Praneeth Pranav Flora gated community. It was a wonderful opportunity for students and residents to come together, celebrate our nation's heritage, and showcase their talents. Thank you to everyone who participated and made the event a memorable success!

Star Awards

The Star Awards at Laurus The Universal School honor excellence with categories like Best Organized Class, Best Disciplinary Class, School Spirit Award and the Champion Crest Award, celebrating outstanding teamwork and
