

### “Introducing the Go Sharpener Toolkit”

Dear Parents,

We're pleased to share a new initiative that our school is embarking on with **Go Sharpener**, an online platform dedicated to nurturing sustainable practices and environmental stewardship.

#### **How it works:**

Students can capture their activities through photos or videos and upload them on the Go Sharpener app. Find the app here:

**Play Store:** <https://play.google.com/store/apps/details?id=com.go.sharpener>

**Earn Rewards:** Each upload earns students "Go Points".

**Recognition:** The Go Sharpener team will visit our school to recognize the top contributions with:

- ✓ A personalized poster and badge
- ✓ An Amazon gift voucher

**Special Opportunity:** Students will be awarded a prestigious certificate.

**Monthly Toolkits:** Access a new toolkit each month on the portal to guide your child's activities.

#### **Getting Started:**

1. Download the Go Sharpener app from the Play Store or App Store.
2. Unique login IDs and passwords are given in your child's school diary.
3. Log in with these credentials to upload your child's photos and videos related to the monthly tool kit.
4. Include a unique hashtag with each upload to earn Go Points.

This initiative offers a wonderful opportunity for students to contribute to environmental preservation while earning rewards. We encourage all students to get involved and help make a positive impact.
