On 1st February 2025 , we successfully conducted PTM -4, following the Periodic Test- 3 exams. This session was an excellent opportunity for parents and teachers to engage in meaningful discussions about students' academic progress. The meeting allowed both parents and teachers to gain a deeper understanding of each student's strengths and areas for growth, creating a clear path for further support and improvement. We are grateful for the active participation of our parents, and we look forward to continuing this strong collaboration to help our students reach new heights.

“Ready to Shine in the New Session!”

On the promising day of 19th February 19th 2025, the Grade 10 students embarked on an exciting new academic journey at the beginning of the 2025-2026 school year. The day marked not only the start of a new term but also a fresh chapter of learning, growth, and opportunities for the students.

With a spirit of enthusiasm and determination, our students gathered to kick off what promises to be an enriching and transformative year. The day was filled with positive energy, as teachers and students engaged in discussions about the upcoming challenges, academic expectations and the exciting activities planned throughout the year.

The school community has made a collective commitment to nurturing a supportive and inspiring environment where every student can thrive.

As we look forward to a year of hard work, creativity, and achievements, we are confident that the Grade 10 students will rise to the occasion and make the most of the opportunities ahead.

Here's to a fantastic start and an even greater journey ahead for our Grade 10 students!

New session of Grade 10

**WISH YOU
ALL THE BEST**

At Laurus, we recently celebrated Nutrition Week, an initiative designed to teach students the importance of health and well-being through the power of a balanced diet. The goal was to help students understand how proper nutrition provides essential nutrients, vitamins, and minerals that contribute to overall growth and vitality.

Our youngest learners from PP1 and PP2 were actively engaged in a variety of fun and educational activities throughout the week.

The week was filled with exciting moments as students learned about different food groups, the benefits of eating fruits and vegetables, and the importance of staying hydrated. By the end of Nutrition Week, our students gained a greater appreciation for the value of healthy eating and the lifelong benefits it brings. We hope this initiative will inspire them to make mindful choices in their daily diets, helping them grow stronger, happier, and healthier.

Elections- Understanding the voting process is essential for students to become active participants in democracy. By learning about voting students can develop skills in critical thinking, decision making and civic engagement. As a part of subject enrichment activity students of grade V actively participated in the campaigning and voting process.

Laurus Students Excel at Dhyan Chand Sports Academy Athletics Competition!

We are excited to announce that Laurus students have triumphed at the recent inter-school athletics competition held at the prestigious Dhyan Chand Sports Academy! Our athletes showcased incredible talent and determination, bringing home exceptional results.

- Ms. Pavani Tatakuntla from Grade IV won the Gold Medal in the running event for Under-14.**
- Master. Aditya Singathi and Ms. Tanuja Irri from Grade VIII, each earned Silver Medals in their respective categories.**

These outstanding achievements reflect the dedication and hard work of our students. We are incredibly proud of their performances and look forward to their continued success in future competitions!

A big congratulations to our young champions!

Sports Event

SOF-International General Knowledge Olympiad Awards

(IGKO):

We are delighted to announce that our talented Laurus students who participated in the SOF International General Knowledge Olympiad awards (IGKO) have received well-deserved recognition for their exceptional knowledge and skills. In a special assembly, students were awarded certificates and medals for their outstanding performance. The awards were presented by our esteemed Principal, Ms. Brittolina, who congratulated the students on their dedication and hard work. This achievement not only highlights their individual talent but also reflects the strong academic foundation at Laurus. We extend our heartfelt congratulations to all the winners for their remarkable accomplishments and encourage them to continue their pursuit of excellence!

SOF Awards

Science Comes to Life at Laurus: A Special Assembly Celebrating Innovation and Discovery!

The Science Department at Laurus recently organized an exciting and educational Special Assembly, where students had the unique opportunity to explore the fascinating world of science.

In addition to the interactive experiments, our students delivered inspiring speeches about the lives and contributions of some of the greatest scientists in history. They also shared interesting facts about how science influences our everyday lives, helping to spark curiosity and wonder in everyone present.

We are proud of our students for their enthusiasm and insightful presentations.

National Science Day

G. Bhavish Reddy of Grade 2A chose to celebrate his birthday by gifting a book to the school library. This thoughtful donation not only adds to the library's collection but also reflects Bhavish's spirit of giving and kindness. His gesture serves as a wonderful example of how small acts of generosity can make a big impact on our community.

**HAPPY
BIRTHDAY**
