WELCOME BACK TO LAURUS!

The Laurus School team warmly welcomed students back to school after the summer break. The new academic session began with renewed energy and excitement, offering fresh opportunities for learning, growth, and connection. Teachers and staff remained dedicated to supporting students in every possible way, ensuring a positive start to the academic year.

STEM LAB Inauguration

On 12th June, Laurus School officially inaugurated Cognospace-STEM Lab, a significant step in its journey towards fostering innovation, creativity, and knowledge sharing. The event was graced by the presence of Managing Director Mr. P. Nishanth, Principal Ms. Brittolina, along with faculty members and students.

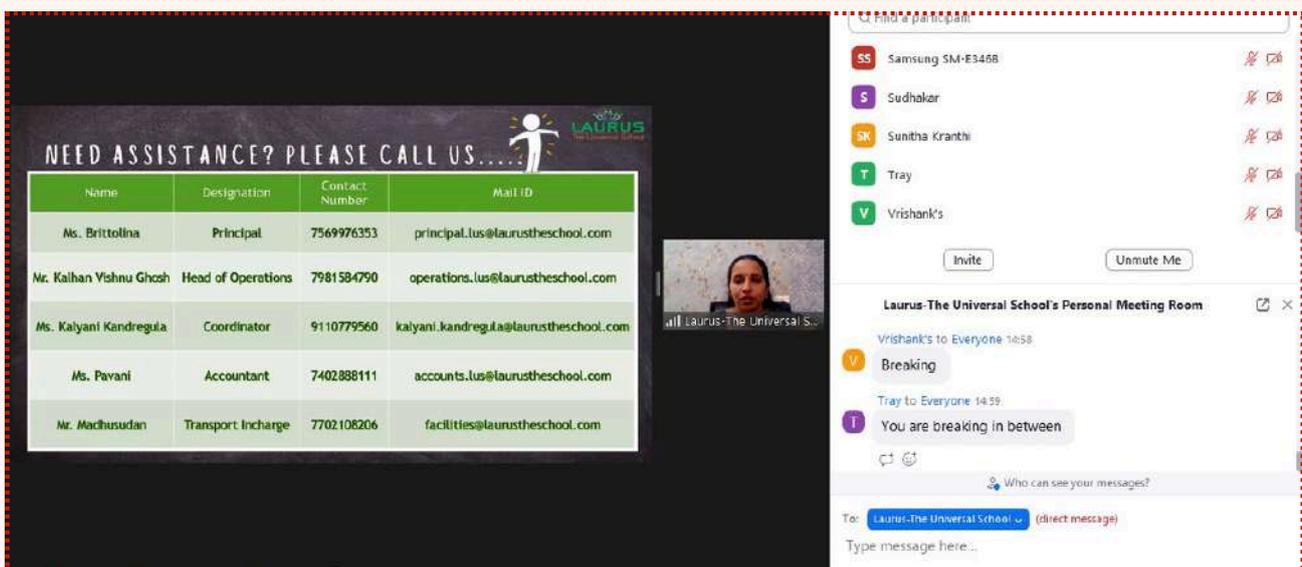

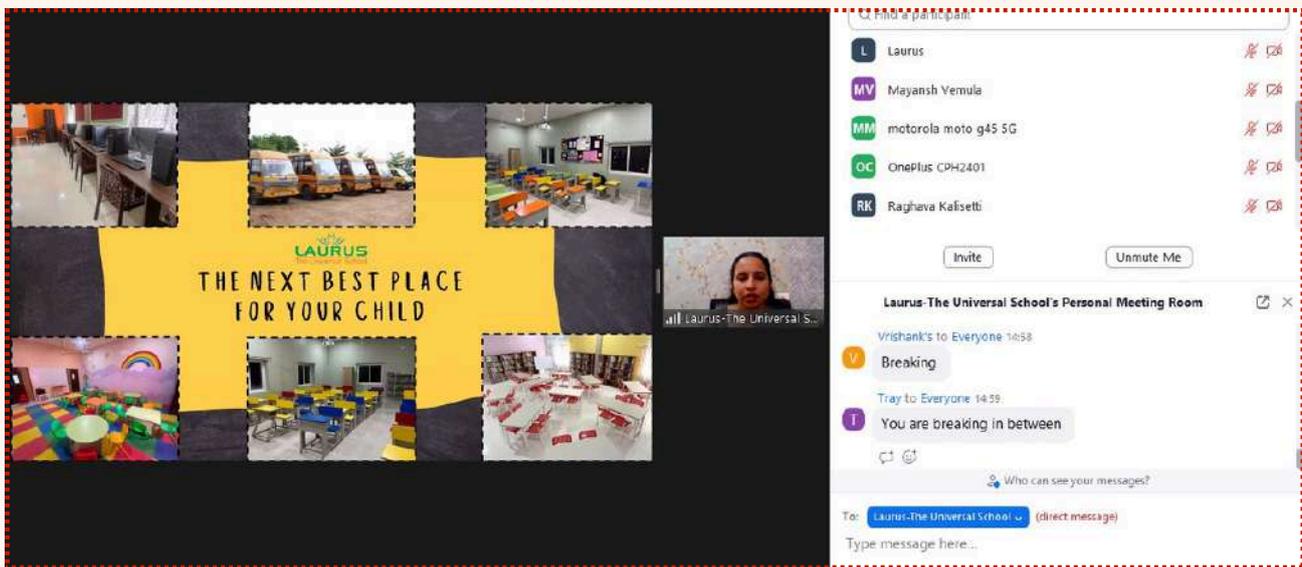

Parent Orientation - 2

The second Parent Orientation event was successfully conducted, providing a platform for parents, teachers, and staff to come together at the beginning of the academic year. The session offered insights into the school's curriculum, policies, and expectations and was thoughtfully structured by the Principal and school management.

The orientation session provided parents with a comprehensive understanding of the academic plans and school policies for the new academic year.

Father's Day Celebration

Laurus School hosted a heartwarming Father's Day Celebration on 14th June 2025, inviting fathers of students from Grades PP1 to II for a memorable morning of bonding and fun.

The event aimed to celebrate the irreplaceable role that fathers play in their children's lives, while also strengthening the parent-school connection.

Highlights of the celebration included:

- **Father-Child Bonding Games:** Fun and engaging activities conducted on campus that encouraged teamwork, laughter, and joy.
- **Hand Printing Activity:** Fathers and children created a lasting memory by capturing their handprints together.
- **Story Sharing by Fathers:** Fathers shared meaningful stories and experiences with their children and peers.
- **Speeches by Students:** Children expressed love and appreciation through heartfelt speeches and performances.

The event was filled with love, laughter, and emotional moments, leaving both children and fathers with cherished memories.

FATHER'S DAY GREETING CARD MAKING

As a part of the Co-Curricular Activities (CCA), students of Laurus School engaged in a special Father's Day-themed craft activity on 13th June 2025. The objective was to give children a creative outlet to express their love and appreciation for their fathers.

Activity Details:

- Students crafted personalized greeting cards and handmade gifts.
- The activity allowed them to explore their creativity while understanding the emotional value of their gestures.
- The cards were later presented to their fathers during the celebration on 14th June.

The CCA activity served as a meaningful prelude to the celebration, encouraging artistic expression and emotional connection.

Reading Month

Reading Month was celebrated with great enthusiasm across Laurus School, aiming to foster reading habits and promote literacy among students. The month-long initiative included a variety of engaging activities such as reading competitions, storytelling sessions, and quizzes that encouraged active participation.

Students also had the opportunity to present book reviews and share their personal reading experiences with peers, fostering a collaborative and enriching literary environment. The event led to a noticeable increase in enthusiasm for reading, enhanced literacy skills, and a strong sense of community among book lovers.

Special reading competitions were also conducted for students from PP1 to Grade V.

Color of the Month – Blue

PP1 and PP2 students celebrated Blue Day with various creative activities. The color blue, known for its calming and relaxing effect, was introduced through engaging classroom tasks, fostering a peaceful and joyful learning environment for the young learners.

Go Sharpener Orientation

The Go Sharpener Orientation Session was conducted at Laurus School to introduce students to real-world problem-solving approaches with a focus on Sustainable Development. The session served as an awareness-building platform, highlighting the urgent need for sustainable practices and the role students can play in making a difference.

The orientation emphasized simple yet impactful actions as an initial step—such as reusing water from filters or cooking to water plants—toward promoting environmental responsibility. Students participated with enthusiasm, gaining insight into sustainable living, innovative thinking, and their role in creating a better future.

Classroom Activities

English (Grades V & VI):

Speaking activities were conducted to enhance students' communication skills.

English (Grades VI):

Students created origami puppets and used them to narrate stories, enriching vocabulary and storytelling abilities.

English (Grades VI):

Social Studies (Grade V): Students visited the Social Lab for an interactive session on solar and lunar eclipses.
